

# Answers, Hope & Healing

Our community's response to the opioid epidemic

As a follow up to the "Hooked RX: From Prescription to Addiction" documentary, the Chandler Coalition on Youth Substance Abuse is hosting a community event to interact and respond.

**Learn about the prescription drug epidemic facing our community and what is currently being done to combat this issue:**

- Action steps being launched
- Getting help for those in need
- How the community can help
- Sharing ideas for further action.

## "THE ADDICTION KNOWS NO FACE"

**Painkillers can make life bearable, but abuse has devastated thousands**

- Experts from the Prevention/Treatment/Medical Fields
- Panel of experts to share & answer questions
- Resource agencies on-hand

**Wednesday, January 25**
